ROCK SLIDERS

Product Number: G1550

Application: Jeep JL 2018

SAFETY PRECAUTIONS

- Always remove jewelry and wear eye protection.
- Always use extreme caution when jacking up a vehicle for work. Set emergency brake and use tire blocks. Locate and use the vehicle manufacturers designated lifting points. Use jack stands.
- Always use appropriate and adequate care in lifting components into place.
- Always ensure components will remain secure during installation and operation.
- Always wear safety glasses when installing this kit. A drilling operation will cause flying metal chips. Flying chips can cause serious eye injury.
- Always use extreme caution when drilling a vehicle. Always disconnect power before welding. Thoroughly inspect the area to be drilled (on both sides of material when possible) prior to drilling, and relocate any objects that may be damaged.
- Always use extreme caution when welding a vehicle. Thoroughly inspect the area to be welded (on both sides of material when possible) prior to welding, and relocate any objects that may be a fire hazard. When welding in a cab, make sure the interior surfaces are covered (*e.g.*, welding blanket) and a fire extinguisher is at hand.
- Always use extreme caution when cutting and trimming during fitting.
- Always tighten all nuts and bolts securely per installation instructions.
- Always route electrical cables carefully. Avoid moving parts, components that become hot, and rough or sharp edges.
- Always insulate and protect all exposed wiring and electrical terminals.
- Perform regular inspections and maintenance on mounts and hardware.
- Tire may rub at max turn or articulation.

Installation Instructions

ROCK SLIDERS

Product Number: G1550

Application: Jeep JL 2018

I. Overview

Congratulations on your new purchase of the industries' best and most stylish Rock Sliders available for the 2018 Jeep JL!

Your Rock Sliders were designed in 3-D from digitized data, CNC laser cut, fabricated, and powder coated... all in the U.S.A.

Enjoy the fit and finish of a quality 2018 Jeep JL Rock Sliders from Fab Fours Inc.

Installation Instructions

ROCK SLIDERS

Product Number: G1550

Application: Jeep JL 2018

II. Removal of OEM Rock Sliders

Note: Save all OEM parts until installation is complete!

- A. Remove the three 1/2" bolts from the frame along with the seven 10mm bolts from the pinch seem from both the passenger and drivers side of the vehicle.

- B. Remove the OEM rock slider from the vehicle.

Installation Instructions

ROCK SLIDERS

Product Number: G1550

Application: Jeep JL 2018

III. Pre-Installation

NOTE: The Following Installation steps apply to the installation of the Tailgate Delete.
PLEASE READ THE ENTIRE MANUAL BEFORE ATEMPTING INSTALLATION!
Ignoring these steps will increase your probability of scratching the vehicle during product installation.

- A. Remove the two body mount bolts on both the driver side and passenger side using an 18mm socket and set them aside to be used during installation.

Figure 2

****NOTE:** Step B is only if you are installing RIDGID Rock Lights into your Fab Fours Rock Sliders.**

Installation Instructions

ROCK SLIDERS

Product Number: G1550

Application: Jeep JL 2018

- B. Take your RIDGID Rock Lights and bolt them into the brackets using the hardware provided. Make sure to run the wires through the support brackets and use the zip tie locations to tie the wire down.**

Figure 3

****NOTE: The Rock Light bolts will have to be cut to 3/4" length to fit the brackets.****
